Guiding The Way In Custom Cabinetry

NorthStar made designing our kitchen and bath rooms a snap. Having our cabinets built was the smoothest part of building our home. We love our kitchen and everyone enjoys hanging out in our very functional and open kitchen space. Thanks for the great service and beautiful cabinets!

ABOUT NORTHSTAR CABINETS (NORTHSTAR)

NorthStar offers custom kitchen cabinets, as well as, baths, entertainment centers, mantels, bookshelves and other custom cabinetry needs. Our cabinetry is crafted from hand selected hardwoods and plywoods insuring only the best quality. NorthStar will work with you to design cabinetry that will be functional and beautiful. Utilizing kitchen designs incorporating the work triangle for your stove, sink and refrigerator you will enjoy a natural workflow in the kitchen.

Custom cabinetry is about having choices and clients may select from numerous wood types from Pine, Oak, Maple, Hickory, Alder to Painted Wood. In addition we will help you make informed decisions regarding door styles, finish options and countertops, including Corian and laminate. We will share ideas for storage and added accessories from spice drawers, wine racks, appliance garages, trash roll-outs, refrigerator cabinets, plate racks, cookie sheet dividers to lazy susans.

Share your plans and ideas and NorthStar can provide you with a 2-D or 3-D image of your kitchen and cabinetry details.

NorthStar guarantees their work and is dedicated to customer satisfaction. We deliver quality products on time and within budget – as promised!
