

ABOUT NORTHSTAR CABINETS

NorthStar Cabinets offers custom kitchen cabinets, as well as, baths, entertainment centers, mantels, bookshelves and other custom cabinetry needs. Our cabinetry is crafted from hand selected hardwoods and plywood insuring only the best quality. NorthStar will work with you to design cabinetry that will be functional and beautiful. Utilizing kitchen designs incorporating the work triangle for your stove, sink and refrigerator you will enjoy a natural workflow in the kitchen. Custom cabinetry is about having choices and clients may select from numerous wood types including Pine, Oak, Maple, Hickory, Alder with stain finishes to painted and/or glazed finishes.

We're there to help you make informed decisions regarding door styles, finish options and countertops. We will share ideas for storage and added accessories from spice drawers, wine racks, appliance garages, trash rollouts, charging stations, refrigerator cabinets, plate racks, cookie sheet dividers to built-in cutting boards. We work with you to develop a design that is customized for your lifestyle and will allow the greatest amount of functionality and beauty for your home.
